ANCHORS & MOORING

Fender Buoy SMC9 White/Blue *Sidewind Marine*

Heavy duty round fender seamlessly constructed with high quality marine grade vinyl for extra strength and reliability.

- MircroGuard protection.
- Pin-type valve for easy inflation.
- Reinforced 25mm diameter rope eyes.

Part No.	Height	Diameter
JPW3971W	300mm	230mm (9")

HULL, DECK & CABIN HARDWARE

Heavy Duty Consealed Box Telescopic Ladder with Grab Handles 4 Step

Concealed stow-away telescopic ladder in flush-mounted box made from heavy duty 316-grade stainless steel construction with mirror polished finish.

- Required mounting space: 70mm (H) x 420mm (W) x 550mm (D).
- Spring-loaded lid with flush latch catch.
- Non-slip safety steps and top grab handles.
- Maintains a flat, unobstructed transom.

Part No.	Type
JPW6167	4-Step

HATCHES & PORTLIGHTS

OceanX Elliptical Opening Portlight - Stainless Steel

Crafted from premium 316-grade stainless steel with UV-resistant acrylic smoke glass, this elliptical portlight delivers the perfect balance of strength, style, and corrosion resistance for marine environments.

- Built-in fly screen to keep bugs out.
- Robust and easy-to-use internal nylon handles.
- Common cutout size (418 x 160mm).

Outside View   *Inside (open) View*

Part No.	Cutout (mm)	Overall (mm)

ROPE

Polyester 16 Plait Rope Mini Spools
12 Pack with Display Box

Pack of 12 spools of strong, durable, multi-purpose premium 16 plait polyester rope, perfect for everyday use, supplied in a fold-out retail display box.

- UV and abrasion resistant
- Low stretch.
- Mini spool size (Dia x H): 70 x 60mm.
- Contains one size rope only (3 of each of the 4 colours).

Part No.	Diameter (mm)	Length (m)
JPW13219	2	30
JPW13220	3	15

ROPE

Dinghy Line 8 Plait

Inexpensive, strong, all round dingy line made of pre-stretched polyester, ideal for halyards, kickers, sheets, control lines, outhauls or downhauls.

- 8 plait braid that has little to no stretch
- Black with white fleck
- Sheen finish
- Breaking Strength: 420kg

Part No.	Diameter (mm)	Length (m)
JPW13242	5	100

SEATS, TABLES & ACCESSORIES

Heavy Duty Stainless Steel
Double Folding Seat Hinges

Maximise space with these heavy duty polished stainless steel folding brackets for seats, tables, or multi-use areas.

- Durable and self-supporting, no floor legs needed.
- Nylon bushes for smooth folding action.
- 316 stainless steel with polished finish.
- Folds away when not in use.
- Sold in a pair.

Suitable for 2 people (around 125kg each)

Hinges only - seat not included.

| Part No.	L x H (mm)
JPW2850	460 x 440

SEATS, TABLES & ACCESSORIES

Leaning Post Seat Bench with Rod Holders

This durable and comfortable leaning post is designed for centre console boats and easily handles offshore conditions.

- 45mm polished 316-grade stainless steel tubing.
- Includes 3 welded rod holders with inserts.
- Black marine grade vinyl.
- High-density foam.
- Thick nylon webbing buckle.
- Welded footrest bar.
- Rear grab handrail.
- Supplied pre-assembled with cushion attached.

Part No.

Dimensions in (mm)

HULL, DECK & CABIN HARDWARE
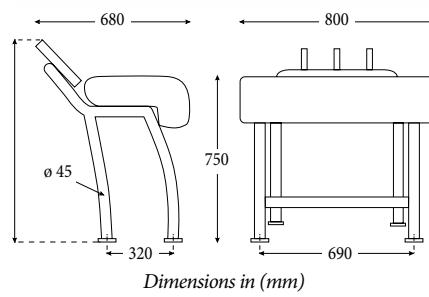

Water Scoop Bracket For Live Bait Tanks - NEW 3/4"

316-grade stainless steel, solidly constructed bracket with an integral water scoop.

• 4x 6mm mounting holes on bracket.

Part No.	Suits Hose
JPW3804	19mm (3/4")

JPW3805:
Suits 12mm (1/2") hose

HULL, DECK & CABIN HARDWARE

Recess Fuel Breather - Black Stainless Steel

Black PVD coated 316-grade stainless steel recessed fuel breather vent with a 90 degree angled barb.

• Additional flange for thinner hulls (3.5mm).

• Suits 16mm breather hose.

Part No.	Type
JPW19127	90° Angle

OUTBOARD ACCESSORIES

Outboard Rigging Hose 50mm (2inch) 600mm

Black currugated plastic 2" (50mm) rigging hose provides protection for cables and wiring from dirt, abrasion, sun, salt and water.

• Convenient short length ideal for small sections or quick replacements.

• Durable, flexible and kink resistant.

• Inside diameter: 50mm (2").

Also available 7.5m or 15m roll.

Part No.	Length (mm)
JPW18074	600

OUTBOARD ACCESSORIES

Outboard Rigging Hose Kit with Adjustable Flange

Black plastic 2" (50mm) rigging hose supplied with an adjustable mounting flange, to allow alignment to motor.

• Internally threaded flange.

• Corrugated, durable, flexible and kink resistant.

• Inside diameter: 50mm (2").
