Please note that this catalogue is a guide.

All seats and accessories have a specific installation procedure. Always follow the manufacturer's instructions when installing any of the products.

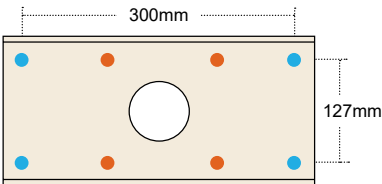

Mounting Patterns

Most of our seating range uses the swivel and slide mount hole pattern. To make the selection more simple, please refer to the diagrams listed with each chair to see which mount type is recommended.

- Standard 7" x 7" Swivel Mount Hole Pattern:**
This pattern is the most commonly used plate for mounting marine chairs, pedestals, slides and swivels.
Mounting pattern size: 140mm x 140mm.

- Swivel and Slide Mount Hole Pattern:**
Designed to suit the heavier helm seats that accommodate a seat slide.
Mounting pattern size: 300mm x 127mm.

- Extra-Wide Slide Mount Hole Pattern:**
Extra-wide design to give added strength and support for use with larger seats such as the RS56 Blue-Water Flip-Up Seat.
Mounting pattern size: 280mm x 240mm.

Vinyl Colour Swatch

Colour illustrations displayed are a guide to help match some of the common colours used through our seating range. For OEM customers we can offer a seat colour swatch customisation. Contact your sales representative to customise a seat from our range.

Cognac (OR)	Red (RD)	Dark Blue (DB)	White (WH)
Off-White (OW)	Mid Grey (MG)	Dark Grey (DG)	Black (BK)
Light Grey Carbon Fibre (LGC)	Dark Grey Carbon Fibre (DGC)	Dark Blue Carbon Fibre (DBC)	Black Carbon Fibre (BLC)

Please note: Although we have endeavoured to match the material colour, this is merely a rough guide and should not be a substitute for seeing the actual product.

MO45 MINI MOJO Deluxe MK2 Boat Seat

The heavy-duty MINI MOJO is designed with comfort and simplicity in mind. The compact frame doubles as a rear grab handle and makes it particularly suited to medium sized boats with limited space.

- Lightweight and durable anodised aluminium frame.
- UV-resistant marine vinyl upholstery and heavy-duty stitching.
- Sturdy back and arm supports, heavily padded for maximum comfort.
- Weight 7.5kg

Part No.	Vinyl Colour
JPW2731	Off-White
JPW2732	Dark Blue Carbon / Off-White
JPW2733	Dark Grey / Light Grey Carbon
JPW2734	Black Carbon / Mid Grey

MOJO Deluxe Helm Seat

The MOJO boat seat is a high quality, top end boat seat and has been carefully designed to a superior standard. On a solid stainless steel frame, thick comfortable foam padding has been added to the seats' base, arm and back for extra support, finished in marine-grade, heavy duty, soft vinyl upholstery.

- 316-grade stainless steel frame and arm rests.
- Generously sized (wide and deep seat).
- Padded seat, back and arm rests.
- Seat cover included with seat.
- Weight 16.5kg

Part No.	Vinyl Colour
JPW2744	Dark Blue Carbon / Light Grey Carbon
JPW2745	Off-White
JPW2748	Black Carbon / Black
JPW2749	Dark Grey Carbon / Light Grey Carbon

MOJO Deluxe Flip-Up Helm Seat

The Flip-Up seat design is based on the original MOJO Deluxe above, but with an additional flip-up bolster. This provides more space and a comfortable leaning post whilst standing.

- 316-grade stainless steel frame, hinges and arm rests.
- Flip-up bolster with high density foam.
- Weight 17kg

Part No.	Vinyl Colour
JPW2725	Dark Blue Carbon / Off-White
JPW2726	Dark Grey Carbon / White
JPW2727	White
JPW2728	Dark Grey Carbon / Black

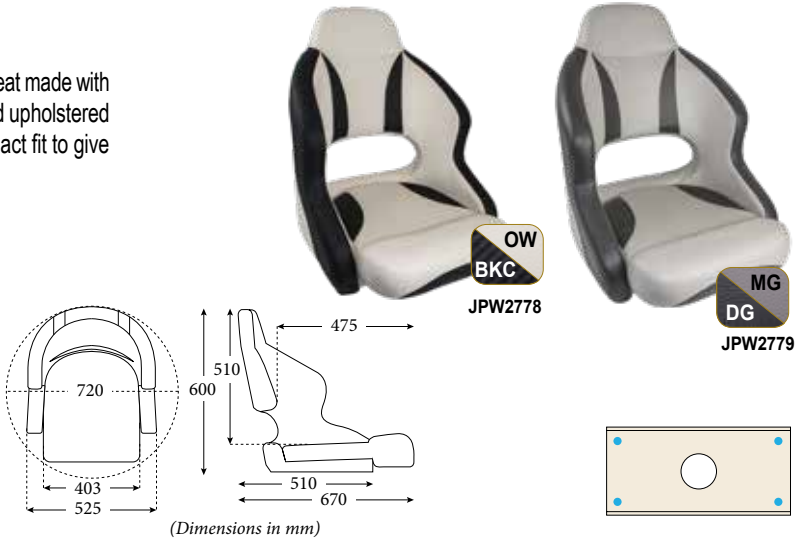

H52 Compact Seat Non Flip-Up

The H52 non flip-up is a very strong and comfortable seat made with a rotationally-moulded bucket style internal frame and upholstered with soft marine-grade vinyl. This seat offers a compact fit to give you more support on the water.

- Non flip-up H52 model.
- Fully padded with premium foam.
- Soft marine-grade vinyl.
- Weight 9.5kg

Part No.	Vinyl Colour
JPW2778	Black Carbon / Off-White
JPW2779	Dark Grey / Mid Grey

H52 Compact Flip-Up Seat

The H52 Compact Flip-Up Seat is an extremely smart looking boat seat with a hinged front bolster cushion that lifts and folds up allowing the helmsman to stand and lean against the seat with greater comfort.

- A tighter snug fit gives you more support either sitting or standing at the helm.
- Weight 9.5kg

Part No.	Vinyl Colour
JPW2760	Cognac / Black
JPW2761	Black Carbon with Aqua Stitching
JPW2762	Black Carbon with Yellow Stitching
JPW2763	Dark Blue Carbon / Mid Grey

JPW2769	Black Carbon / Off-White
JPW2774	Black Carbon with Red Stitching

HM51 Flip-Up Bucket Helm Seat

Compact seat with a hinged front bolster cushion that lifts and folds up to assist standing at the helm.

- Deep bucket style boat seat.
- Built-in elastic storage pocket in back of seat (350 x 250mm)
- Generously sized with integral arm rests.
- Heavy duty rotationally moulded base.
- Weight 10kg

Part No.	Vinyl Colour
JPW2801	Off White / Dark Blue
JPW2802	Mid Grey / Dark Grey

RM52 Flip-Up Seat

With a similar style to the popular H52 compact seat, the new RM52 has a more sportier look and includes two back openings to allow for more airflow. The bottom cushion has extra bolster length than most styles to accommodate for longer legs and results in a more comfortable seat.

- Flip-up bolster with high density foam.
- Weight: 10kg

Gas Adjustable Seat Pedestal Extra Wide Swivel Top - 12" Base

This marine-grade aluminium seat pedestal comes with an extra-wide swivel and sliding top. The gas spring-assisted feature compensates for harsh offshore boating conditions.

- Two adjustment handles (height and slide).
- Heavy duty base and large post for greater strength and stability.
- Polished base and tube finish.
- Suits the RS56 Blue-Water Flip-Up Seat (JPW2792 and JPW2793).

Part No.	Height Adjustment (mm)	Slide Travel (mm)
JPW3026	435 - 605	127
JPW2885	Spare swivel slide top to suit (extra large)	

SHOXS X Series Suspension Seat Pedestals

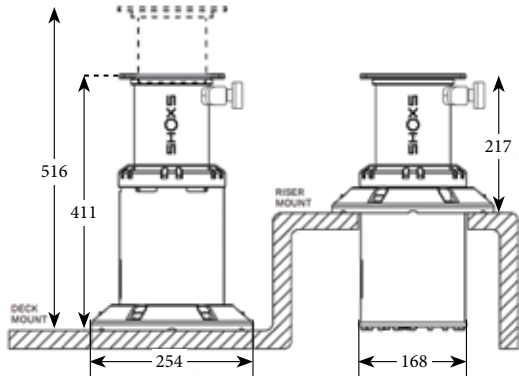

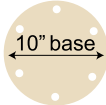

The most versatile shock mitigating seat mounts ever built, the SHOXS X Series pedestals will transform any seat into a safer, smoother ride with professional-grade shock mitigation technology.

- Stands up to the harshest marine environments.
- Anodized aluminum structure.
- Adjustable for deck mount or box mount.
- Adjustable mounting flange.
- Adjustable air shock for your weight.
- No pinch points.
- Quick and easy installation.

SHOXS X4 Suspension Seat Pedestal with Height Adjustment

- 112mm suspension travel for maximum wave slam protection.
- Hard anodized black finish.
- Weight: 8.9kg

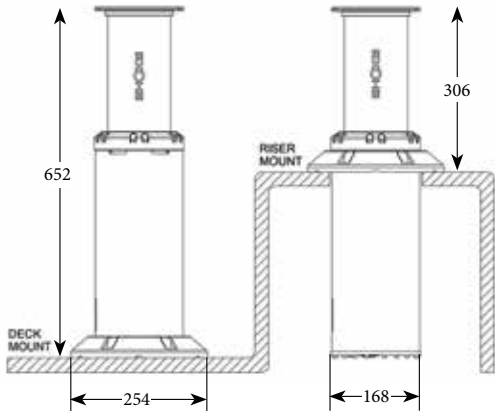

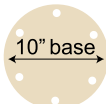

(Dimensions in mm)

Part No.	Height Adjustment (mm)
JPW2980	411 - 516

SHOXS X8 Suspension Seat Pedestal Fixed Height

- Taller ride height than the X4 Pedestal.
- 203mm suspension travel for maximum wave slam protection.
- Hard anodized silver finish.
- Weight: 11.8kg

(Dimensions in mm)

Part No.	Height (mm)
JPW2982	652

Seat Swivel Pedestal - Fixed Height

Black EDC-coated steel, fitted with a 175mm standard seat swivel.

- Two height sizes available.

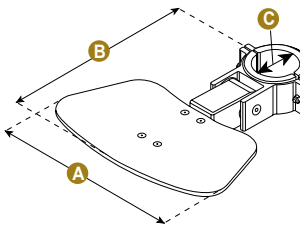

Part No.	Height (mm)
JPW3030	200
JPW3031	330

Pedestal Foot Rest with Checker Plate

Foot rest plate has a checker grip pattern to provide extra traction.

- Made from marine-grade aluminium with stainless steel hardware.
- Suits pedestals with a post diameter 73mm or 87mm.
- Can be folded up when not in use.

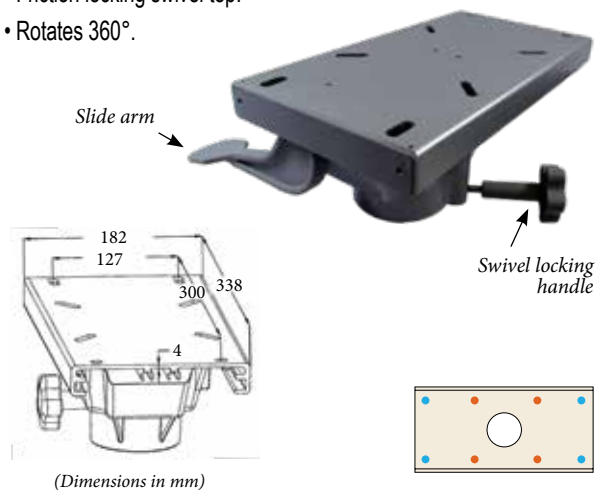

Part No.	Suits Post Dia. (mm)	Dimensions (mm)		
		A	B	C
JPW2892	87	400	410	87
JPW2893	73	400	410	73

Seat Swivel and Slide Top - suits Fixed Height Pedestal Posts

These swivel and slide tops are made from high-strength aluminium with powder-coated swivel.

- Suits fixed height pedestals with 60mm or 73mm post.
- Provides approximate 127mm of fore and aft travel.
- Friction locking swivel top.
- Rotates 360°.

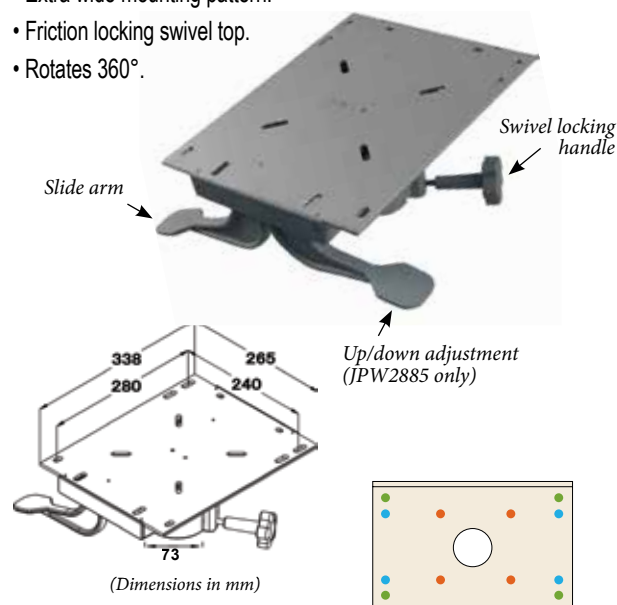

Part No.	Description
JPW2887	Swivel Slide Top suit 60mm Post
JPW3018	Swivel Slide Top suit 73mm Post

Extra Wide Seat Swivel and Slide - suits 73mm Post

These heavy duty extra wide anodised aluminium seat slides fit to 73mm fixed height pedestals. The finger tip control allows fore to aft movement of the seat.

- Extra wide mounting pattern.
- Friction locking swivel top.
- Rotates 360°.

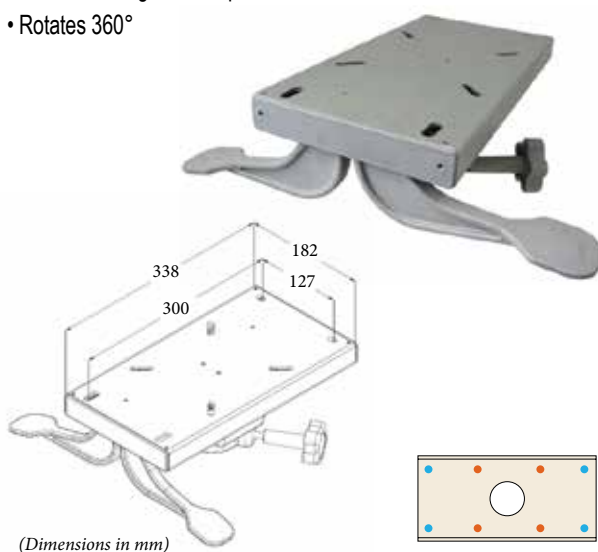

Part No.	Pedestal Type	Slide Travel (mm)
JPW2885	Adjustable	127
JPW3015	Fixed	110

Seat Swivel and Slide Top - suits Gas Adjustable Pedestal Posts

Made from high strength aluminium with slide and height adjustment handles and a cast aluminium swivel.

- Suits 60mm or 73mm gas adjustable pedestal post.
- Two adjustment handles (height and slide).
- Provides approximately 127mm of fore and aft travel.
- Friction locking swivel top.
- Rotates 360°

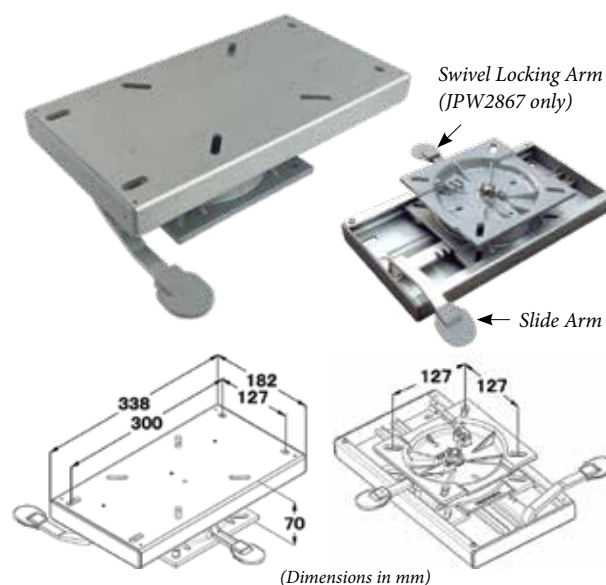

Part No.	Description
JPW2886	Swivel Slide Top suit 60mm Post
JPW2884	Swivel Slide Top suit 73mm Post

Cast Aluminium Seat Swivel and Slide

Seat slide and swivel made from powder-coated heavy duty cast aluminium. Available in either standard swivel only or locking swivel position models.

- Provides approximately 125mm of fore and aft travel.
- Suits most seat mounting patterns.

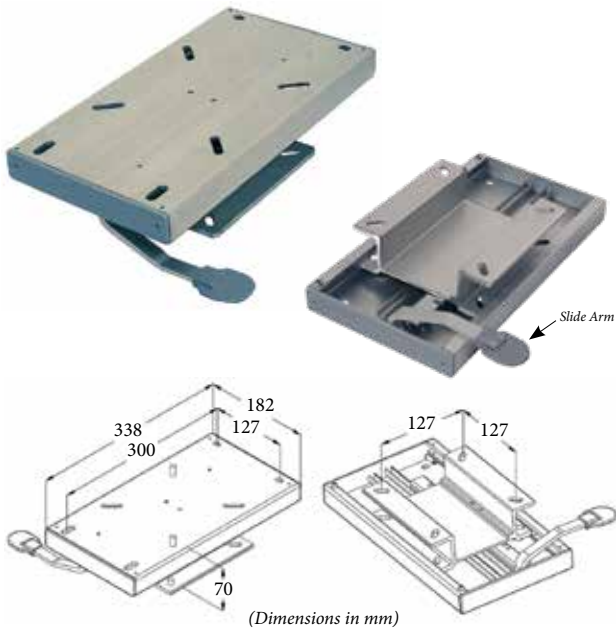

Part No.	Swivel Type
JPW2867	With Locking Arm
JPW2868	Standard

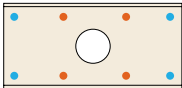

Seat Slide Universal Fit - Heavy Duty

This heavy duty anodised aluminium seat slide fits most seats and pedestals, fits between the seat on top of the pedestal, seat box or deck.

- The finger tip control allows 110mm fore to aft movement of the seat.

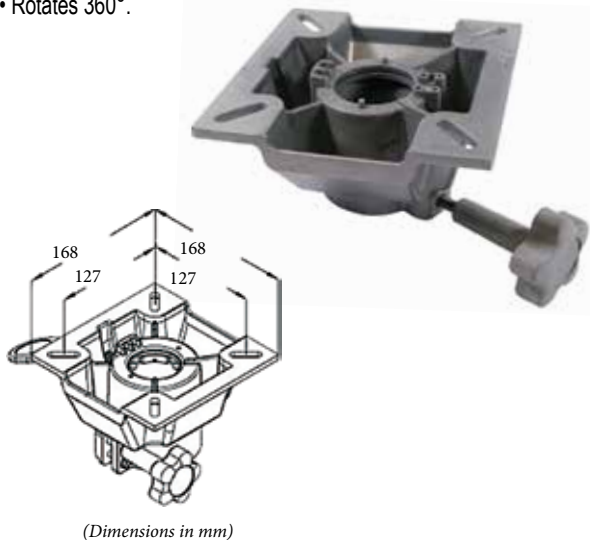

Part No.	Description
JPW3005	Universal Fit Seat Slide

Seat Swivel Pedestal Post Top

The friction lock is one of the most popular swivels available on the market. Complete with internal nylon bushing for a tight fit to post.

- Suits fixed height pedestals with 60mm or 73mm post.
- High-strength cast aluminium with powder coated finish.
- Tightening knob is to clamp and tighten into position.
- Functional, dependable and easy to use.
- Friction locking swivel top.
- Rotates 360°.

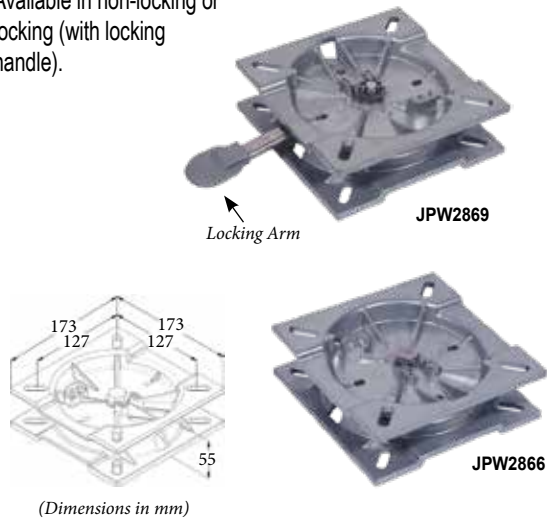

Part No.	Description
JPW3017	Swivel Top suit 60mm Post
JPW3019	Swivel Top suit 73mm Post

Cast Aluminium Seat Swivels

Powder-coated grey seat swivels are constructed from cast aluminium. Suits most seats with a standard 7"x7" seat mount pattern.

- Available in non-locking or locking (with locking handle).

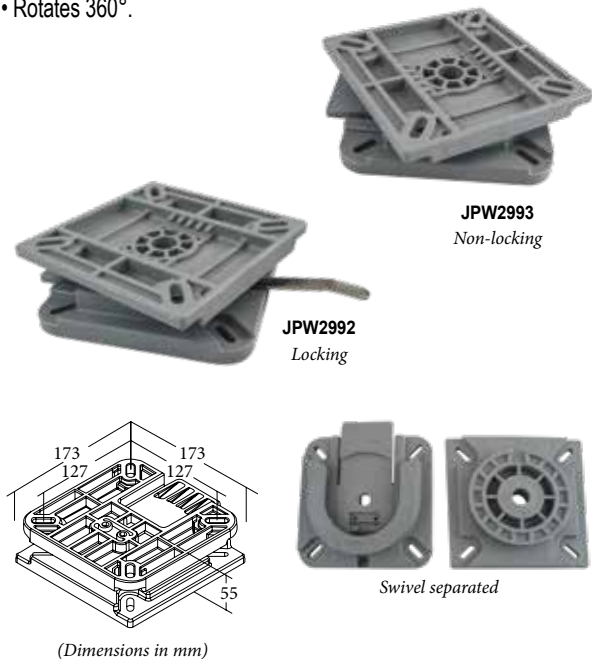

Part No.	Type
JPW2866	Non-Locking
JPW2869	Locking

Quick Release Plastic Seat Swivel

The plastic quick release 360° seat swivel is made from two uniquely designed mounting plates. Ideal for easy seat removal for security or storage, the low profile allows for use in multiple locations around the deck. A quick disconnect release lever, when pressed firmly, releases the top swivel part from the bottom base.

- Available in non-locking or locking (with locking handle).
- Standard 7"x7" mounting pattern
- Rotates 360°.

Part No.	Type
JPW2992	Non-Locking
JPW2993	Locking

Adjustable Clamp on Seat Swivel

Ideal for tinnies and dinghies, this seat swivel clamps via a threaded rod and wing-nut adjustment onto most small bench seats with a width from 200mm to 400mm.

- Quick and easy fitment and removal for storage.
- Non-slip plastic vinyl coating to prevent marking of the bench seat.
- Rotates 360°.

Part No.	Width Adjustment (mm)	Swivel Dimensions (mm)
JPW2881	200 - 400	175 x 175

Seat Swivel Locking - Large Hole

Coated in Black EDC for corrosion prevention.

- Nylon slide runners for a smooth and silent performance.
- 30° intervals (12-position) locking arm.
- Release handle extends 150mm.
- Rotates 360°.

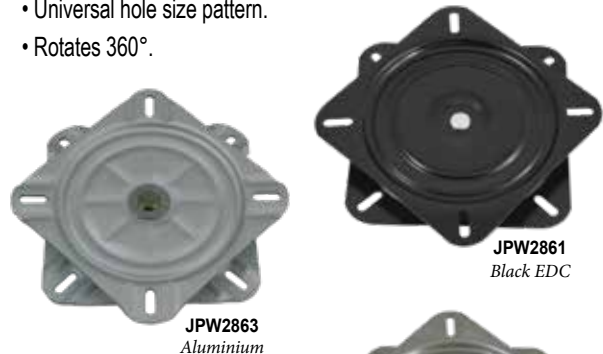

Part No.	Swivel Finish	Dimensions (mm)	Hole Size (mm)
JPW3003	Black EDC	175 x 175	65

Seat Swivels

360° Seat swivel rotation available in 3 types, Black EDC-coated steel or marine-grade anodised aluminium with stainless steel pin or full stainless steel option.

- All swivels have nylon runners for a silent smooth operation.
- Universal hole size pattern.
- Rotates 360°.

Part No.	Type	Dimensions (mm)
JPW2861	Black EDC	175 x 175
JPW2863	Aluminium	175 x 175
JPW2864	Stainless Steel	175 x 175

Plastic Table Tops - White

Lightweight table top constructed of high quality UV-stabilised injection moulded plastic, designed for the marine and caravan market.

- Includes 4x moulded recessed cup holders with drainage holes.
- Secure to pedestal with 6.3mm self tapper screws (not included).
- Three shapes available: round, oval or rectangle barrel.
- Suits table pedestals JPW3070, JPW3072 and JPW3066.

JPW3081

JPW3080

Round table top with pedestal (sold separately)
